Cost and Fees

Registration fees for the current year will be available on our website, www.hallmarktrack.com. A breakdown of what is included in the fee is also listed on our website. Because our organization is non-profit, our objective is to invest all fees and proceeds right back into our program. Meet entrance fees are not included in registration and will be the sole responsibility of the parents to pay.

Fundraising

Hallmark is a non-profit organization and must occasionally rely on fundraising activities for financial support. Throughout the season there may be various fundraising activities for the athletes and their families to participate in. All revenue collected under the club's name and federal identification number will go directly to the team account and be used solely for the good of the entire program. The fundraisers will primarily be to raise funds for our post season meets, i.e., Association, Regional, and Nationals.

Communication

We strive to keep our club members informed on what's going on with the team. To do this, we have various ways to communicate with you: Website, Email, Text Messages, and Social Media. Run Offs

12 & Under age group relays are determined by run-offs.

- Two run-offs will be scheduled each season (April & June)
- The top 4 will run on the GOLD (A) team, the 2nd 4 will run on the BLACK (B), and so on.
- After the run off, an athlete may challenge for a spot on a relay.
- An athlete may ask the coach for a challenge.
- The challenge is to the 4th fastest runner on the relay.
- At the coaches discretion, the 3rd fastest may be added to the run-off.
- Notification of the challenge must be given at least 2 practices before.
- The challenge must be witnessed and confirmed by the President, Senior Boys Coach or Senior Girls Coach
- The Challenger must finish 2 steps ahead of the athlete currently on the relay.

Relays

All relays in any age group are ONE team, no matter how many relays they are broken into (i.e. A, B, C, etc.)

At qualifying meets, in the event that something happens with a relay team, the best relay will run in the finals. (Ex: if the 'A' relay gets disqualified and the 'B' relay makes it, then the 'A' relay will run in the finals.

****Final relay decisions will be made at the discretion of the head coach of the age group****

GENERAL INFORMATION

Competitions

Races or competition information will be provided prior to each meet. This may be paper form, email or text. Coaches will have the event sheet available every Thursday at practice at the registration window. Please be sure to go and check the paperwork.

Hallmark Track Club coaches determine what events the athlete will participate in for each meet. The parent may discuss this with the coaches prior to entry, but the coaches make the final determination. Some event assignments may change based on who from the team actually shows up to the track meet to compete in that age group. Hallmark Track Club parents and athletes are responsible for knowing the athlete's meet events and times. If an athlete will not be competing at a practice or track meet, this must be communicated to the coach as early as possible.

Age Divisions

Athletes will train and compete according to their gender and age. Age groups or divisions (shown below) are based upon athlete's date of birth. Age divisions are determined by the age of the athlete on December 31st of the current year. Each age group team competes against the same age group teams from opposing clubs. Boys and girls compete individually. Most preliminary meets will have multiple heats for each age group in each event. The top 3 out of all of the heats of a particular event will receive awards on the awards stand.

Age Divisions: 8 &under, 9/10, 11/12, 13/14, 15/16, 17/18

Track Meets

Meets can be very chaotic as there are usually several hundred people attending. The club is not responsible for the athlete entering or leaving the facility. The parent is responsible for their athlete. All athletes should wear their Hallmark Track Club t-shirt and uniform and arrive in time to get prepared physically and mentally for the race or field event.

Parents and athletes should check their event time prior to the race and arrive at the race at least one hour prior to the scheduled event times. For the preliminary meets, they will most likely be on a rolling schedule, so be prepared and arrive at the time your coach says. Hallmark Track Club will have a designated area for the athletes to stay during the meet. Upon arrival, athletes need to check in with the team at the designated area and sit with the team during the meet. The coach should not have to go look for an athlete. Do not leave trash in the areas you stay in.

All athletes need to warm up with their teammates. Athletes and parents need to pay attention during the meets to all loudspeaker announcements as they direct the course of events. It is the athlete's responsibility to check with their coach and get to their event. 10 & under coaches will assist younger athletes to their reporting locations. When checking in, the athlete should be race ready. Once checked in, the athlete should not leave the check in area.

Track meets can take several hours to complete. In order for you to be comfortable, please be prepared to bring the following:

- portable chairs/seat cushions
- snacks
- non-carbonated drinks and cooler
- sunscreen/hat
- pop up tents/umbrella
- extra clothing/towel
